

## The divine time division (part 1 of 3)

Ephesians 4:26-27 If you are angry, do not let resentment arise in your heart, for then you will sin. Get rid of your anger before the end of the day. Don't give the devil a chance. A jubilee period consists of a number of parts and is comparable to our weeks and days. A normal week consists of seven days. The seventh day is a day of rest, but also a day of worship. Thus, a jubilee period consists of 7 jubilee weeks. Every seventh year is a year of rest and a year of worship (the Sabbath year). The eighth year is a new beginning of the next period, so it is also the first year of the next period.

The fiftieth year (the Jubilee) is the year of release and forgiveness. So this is comparable to "get rid of your anger at the end of the day". This means forgive one another and start again. The fiftieth year is the first year of the next jubilee, but is also the eighth year of the last week of jubilee and thus heralds a new period.

A jubilee is similar to a day as the Apostle Paul portrays it in Ephesians 4:26-27. If we project a jubilee period back into our day, then it is clear that in a day we need to take a short rest period seven times to get in touch with God. Paul indicates through 1 Thessalonians 5:17: Pray unceasingly. This does not mean that we have to be on our knees 24/7. A prayer can be very short, because God knows in advance what you want to ask. A few stammered words while cycling can already form a prayer.

The Sabbath Year in Leviticus 25:3-4 Six years you may sow your land, prune your vineyard, and reap your crops, but the seventh year you shall give the land rest and leave it uncultivated. Do not sow your land or prune your vineyard in that year.

The Jubilee in Leviticus 25:20-22 If you ask, "But what shall we eat in that seventh year, if we are not allowed to sow and reap?" the answer will be: In the sixth year I will bless the harvest, and it will be so great that you will have enough until the harvest is gathered in the ninth year, that is, for three years.

This is the first piece with which we show that a day with God lasts 49 years.

Conclusion: The basis of the divine time division is a jubilee period.

At the end of the last day (jubilee period) a new period starts, a new period where we can all enjoy freedom and forgiveness. When God has the New Heaven and Earth ready for His children and we are allowed to go in there, then it will be forever and ever.

The divine time division (part 2 of 3).

The number 12 / 120 means: Divine authority; perfect government

We often see the number 12. Some examples are: 12 disciples, 12 months, 12 baskets of surplus (wonderful food), 12 gates of heaven and so there are countless examples in the bible that show the authority of the number twelve.

The number 120 appears very clearly in the Book of Righteousness 5:8-11.

8. For thus saith the Lord: Behold, I give unto thee a period of 120 years; if ye turn unto me, and abstain from your evil ways, then will I also turn away from the calamity which I foretold, and it shall not come to pass, saith the Lord. Noah and Methuselah spake all the words of the Lord to the sons of men day by day, speaking to them all the time. But the sons of men would not hearken to them, nor incline their ears to their words, and they were obstinate. The Lord gave them a period of 120 years, saying: If they repent, then God will repent of the calamity and destroy the earth.

You see the same thing happening here as what is happening now, but now we are in the end time. According to the timeline already shown, 120 days (jubilees) from the Fall have already passed.

$120 \times 49 = 5880$  years, this is the equivalent of the year 1986. Because of the communication between God and Moses we have to add a period of 40 years. The patience of God is so enormous, 40 years extra and the unbelief only gets bigger. 18 months after the Exodus, the Israelites would not believe God that they could enter the land of Canaan (the promised land) under His leadership, see Numbers 14:35-36.

$1986 + 40 \text{ years} = 2026$ , this year - the period of 1260 days from October 21, 2022 to April 3, 2026 - is the year comparable to the Flood.

John 8:17

Your law states that if two witnesses say the same thing, their testimony is valid.

Daniel 8:14-19 (summary).

Creation is restored after 2300 days. Other translation: His sanctuary is restored.

Covid19 started on December 19, 2019. We add the 2300 days here, then the result is April 3, 2026. This is exactly on Good Friday!

The time of the great tribulation will take place in the last 1260 days. This number is described in several ways in the Bible: 1260 days, 42 months, a time and two times and a half time.

On April 3, 2026, the 1000th anniversary will start, where Jesus Christ will be the King. This is also the moment of the first resurrection.

## The divine time division (part 3 of 3)

From Creation to the New Heaven and the New Earth.

Nicodemus came to faith and made a very special contribution to the gospel. Together with Joseph, he laid the body of Jesus in the tomb and experienced a special experience of faith. This he wrote down, this is the so-called "Gospel of Nicodemus".

A little quote: Therefore go and tell your father – Adam – that at the end of 5,500 years from the creation of the world, the only-begotten Son of God will descend to earth to become man. And he will anoint him with that ointment. And he will rise and he will wash him and his descendants with water and the Holy Spirit. And then he will be healed of all diseases." And when the patriarchs and prophets heard this, they were very glad.

## 5500 years after creation

Here a real number is mentioned, but also a number with a strong symbolic value. First the symbolism. The number 5 means GRACE, 5500 is far surpassing. So it is a very great grace. Jesus came to earth in perfect harmony with God and voluntarily allowed himself to be humiliated, tortured and murdered in order to create for man the way back to God. Out of pure love!

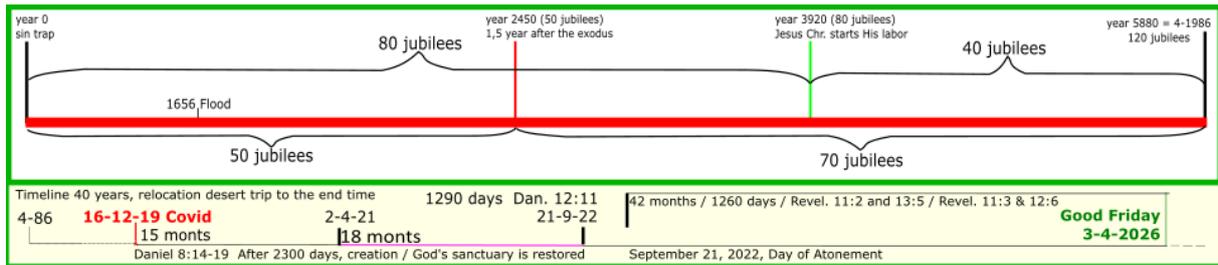

Creation has a duration of 7 days and after creation it lasted 5500 years. We have already shown that a day with God is a period of 49 years. So creation lasted 343 human years by earthly standards. The last day – 49 years – was a rest day. So the creation actually lasted 294 years. In the very last hour of the sixth day, God made Adam.

One day is like a thousand years it says several times, see 2 Peter 3:8 and Psalm 90:4 One divine year is therefore  $1000 \times 49 = 49000$  years. So a period of 5500 divine years is  $5500 \times 49000 = 269.5$  million human years. God created the world and let it develop in a controlled manner. Whenever evolution did not develop according to His idea, He intervened. An ice age has created a new start. Drop a meteorite onto Earth, destroying fierce life forms.

80 divine days (Jubilees) after the Fall. A new beginning has started at this very moment, exactly at this moment Jesus started His mission. The moment He turned water into wine came very precisely. Read this in John 2:3-6 At some point the wine ran out. Jesus mother heard and went to tell Him. "Leave Me alone," He replied. "It's not my time yet." A moment later, at least it was the same day or evening, His time was, and the water was turned to wine. 80 Jubilees is 3920 years after the Fall.

40 means change or affliction. 80 Jubilees plus 40 Jubilees together make up the number of 120 Jubilees. 120 is the number of divine authority.  $120 \times 49 = 5880$ . If you take the timeline, you will see that this is the equivalent of 1986 according to the Gregorian reckoning. Through the communication with Moses – Numbers 14 – forty more years have been added. This brings us to the 2026. The year of restoration of God's Sanctuary (Creation).

On April 3, 2026, the 1000-year reign starts, where Jesus Christ will be the King. This is also the moment of the first resurrection. At the end of the 1000th anniversary is the great judgment and the New Heaven and the New Earth are installed. Then there will be peace forever and ever.

The timeline shown is characterized by five sections.

The five sections are a bit intertwined and yet they form a whole and it tells a lot. It begins with the Fall. Just a note, we can calculate exactly how old Adam was when he died. The bible says he was 930 years old, but that is not true. It was 930 after the Fall that Adam died.

It is possible to calculate exactly how old Adam has become.

Jesus started His mission 5500 years after the fall and that coincides with the 80 jubilees after the fall according to the calculation below. The meaning of the numbers are: Grace and new Beginnings. The number of 5500 can be found in the Gospel of Nicodemus.  $5500 \times 49 \times 1000 = 269,500,000$  Add the last day of creation to this.  $5500 \times 49 \times 1000 = 269.500.000 + 49 = 269.500.049$

Jesus was 30 when he started his mission and that was after 80 jubilees because with the start of his mission exactly 80 jubilees had passed.  $80 \times 49 = 3920$  Adam died 930 years after the fall. So  $3920 - 930 = 2990$  years.  $5500 \times 49 \times 1000 = 269,500,000 + 49 = 269,500,049 - 2990 = 269,497,059$

Adam had reached a total age of 269,497,059 years.

We are now living in the year 5915 (June 14, 2021) after the Fall. Do you notice that this is but a very small time in relation to the number of years that Adam lived. Jesus says with the Ascension according to John 16:16 "[Jesus said:] "Just a little longer and then you will see Me no more. And again a little while and you will see Me again. For I go to the Father." About 2000 years after the Ascension, His return will be on April 3, 2026. It is indeed only a short time compared to the life of Adam, and then we are talking about a limited age period!

It starts with 50 jubilees to Numbers 14, where God becomes very angry because the people of Israel do not believe Him that they could enter the promised land of Canaan under His leadership. The grace of the entrance of the promised land passes to the Israelites at that moment. Then there are 70 jubilees until the number 120 is full. In Jeremiah 11:25, Jeremiah foretells the 70 years under Babylonian bondage. This also symbolizes these 70 Jubilees. By missing the entry at the right time, another 70 jubilees must pass under the power of satan.

Parallel to this period we can distinguish two more periods. We have already seen the first, because after 80 jubilants the mission of Jesus Christ starts. 80 means a New Beginning. So this is a new beginning that starts our Lord and Savior. Because of the new beginning, a period of change starts, that's what the number 40 stands for.

The fifth box is also a number of 40, but now with the same year principle as the desert tour. This is also a time of tribulation. In the desert it started with the anger of God, in 1986 we had a disaster that can then be compared to God's anger, the Chernobyl disaster. The Israelites also experienced a time of tribulation in Egypt that was very intense. The last 3.5 years in particular have been extremely intense. God has told everything in advance and He is doing so again. Noah and Methuselah preached for 120 years, but literally no one believed these two men. And it happens again.

The last 2300 days of this generation.

Matthew 24:34 Words of Jesus: I tell you, all these things will come to pass before this generation is over. Wikipedia says: A generation, in a sociological sense, is a category of people born in the same period and associated with common traits that can dominate individual differences. The generation that Jesus means started after the flood and ends with the start of the 1000-year reign.

The next question then arises: when will this generation be over?" God's plan provides for this and as we have seen in previous passages is the restoration of creation on April 3, 2026. The time of tribulation began in April 1986. Just as the time of tribulation began long before the period in Egypt, so it is here. For the last 3.5 years in Egypt infants were used instead of stones in the construction of Egyptian structures. was the order of the day.

The outbreak of Covid19 was on December 16, 2019. You have already read several times that Daniel 8:14-19 talks about 2300 days. In the beginning, the "experts" said it was the flu and many scientists agreed.

People who have known me longer know that I believe that God is using and still using me to deliver His message. I am a simple person, I have no university education or anything like that, nor a theological education and yet I am 100% convinced that everything I write down comes from Him.

In the apocryphal book "The Acts of Thomas" Judas Thomas says that he is a slave of Jesus. Jesus sold him for three ounces of silver, but he - Thomas - received the amount to redeem himself at all times. the same way I want to be His property.

Thomas is sold into slavery

2. While he was walking around with it, there happened to be a merchant from India. His name was Abbanes. He had been sent by King Gundaphorus with orders to buy a carpenter and bring it to him. The Lord saw Gundaphorus walking in the marketplace at noon. He said to him: Do you want to buy a carpenter? He answered in the affirmative. The Lord said to him, "I have a slave who is a carpenter and I want to sell." Then he showed Tomas at a distance.

Together they agreed on a price of three pounds of bullion. He wrote a deed of sale that reads: 'I, Jesus, son of Joseph the carpenter, declare that I have sold my slave named Judas to you, Abbanes, merchant of Gundaphorus, king of the Indians. After drawing up the deed of sale, the Savior took Judas, also named Thomas, and brought him to Abbanes, the merchant. And when Abbanes saw him, he said to him: 'Is this your master?' And the apostle answered, "Yes, he is my Lord." Then Abbanes said, "I bought you from him." The apostle continued to be silent.

3. The next day the apostle prayed and pleaded with the Lord, "I go where thou wilt, Lord Jesus. Thy will be done.'

December 16, 2019

Start Covid19, the virus is constantly mutating, vaccines have been created and these are unfairly distributed - as you can expect - around the world. The virus will continue to mutate delta variant is only the beginning, such that the vaccines will also not be sufficient. Man proposes, but God disposes.

Weather changes will occur. The weather influences will be such that the harvests cannot be harvested at normal times. Drought, rain, cold and heat will alternate in such a way that the harvests will again be partially lost. The result will be global famine.

Mutual tolerance is largely lost, we currently see – compared to 20 years ago – that many murders are committed. 30 years ago a murder was something unimaginable, today people are used to it. Violence is on the rise. War violence, bigotry and murder are getting worse and from October 21, 2022 it will get so bad that children will kill parents and vice versa. It will get so bad that the bodies will be left on the street.

October 21, 2022

In the bible the number 1260 (42 months / two times, a time and a half time) is often mentioned and if we count this date further by 1260 days it ended on April 3, 2026. This is the day that Jesus will return to earth to establish His kingdom. An empire that has a duration of 1000 years.

God's plan provides for a new creation, a creation based on love. Where forbearance will already be an unknown word, for true love covers all things.

Revelation 21:1

I saw a new heaven and a new earth. The present heaven and the present earth were no more, and the sea had also disappeared.

1 Corinthians 13:4-5

Love is patient, love is kind, love is not yes lurking. She does not act weighty and is not proud, she does not hurt, is not selfish and never feels offended, she does not blame anyone, Love always protects, always trusts, always expects it from God and endures.
