

God, the invisible Holy Spirit.

"In the beginning was the Word, and the Word was with God, and the Word was God. This was with God in the beginning. All things were made by the Word, and without this Word not a thing was made that was made. In the Word was life, and the life was the light of the people. And the light shines in the darkness, and the darkness comprehended it not. ' John 1:1-5

So God is an invisible Holy Spirit. Something very abstract for people, but that's what it says and just because God knows that very well, His first act was to make Him visible, so He made an image of Himself. This image is Jesus. We can read this in: Colossians 1:15-18

In very special cases God - who can do everything - has a second image of himself in the form of the Ancient of Days. You can read this in Daniel and in the book of Enoch (BvH 12-2:46.1)

This is not a summary of many biblical texts, but an explanation of how everything came into existence. Texts are quoted. You can read Bible texts by activating the link by clicking on the text. A PARTICULAR FEATURE OF THE HIGHEST

God is love. Precisely because He is love, He does not want to rule. Recognition has nothing to do with wanting to rule. God wants to be recognized as the Creator of everything. Nothing is made or came into being without His word. If His creature always acknowledges Him as the Creator, then love will be the servant. If this recognition disappears, pride will take its place and rule will become dominant, with all known consequences.

The first created person (angel) is Semyaza, he is mentioned as the leader of the fallen angels. This is mentioned in the Book of Enoch (BvH 3:6.3-6.7). The name Lucifer is nowhere mentioned in writings, but in all kinds of descriptions that man has made about this. This name is made up of the Latin words Lux (light) and Verre (bearer).

In the Latin Vulgate 382 AD. Jerome translated "הילל בן־שחר" (morning star, son of the dawn) as "lucifer qui mane oriebaris" (morning star that used to rise early). As early as the Christian writers Tertullian and Origen^[11] the whole passage was applied to Satan. Satan began to be referred to as "Lucifer" (Morning Star), and eventually the word "Lucifer" was treated as a proper name. The use of the word "Lucifer" in the King James Version of 1611 in place of a word like "Daystar" ensured continued popularity among English speakers.

The Book of Enoch has been a banned book since the Council of Nicaea (325 AD), which is why Jerome did not want to (or could not) quote from it and the name Semyaza has remained unknown.

The Holy Spirit God had meanwhile made many creatures in the heavenly realm and the chief angel Semyaza became proud.

RESPONSIBLE EXAMPLE

God has created a habitat (something like the earth) and creatures that are needed to regulate everything (flora and fauna). But He also created beings with minds and free will. A dog kennel owner regularly needs to be able to communicate with thinking people. A dog, on the other hand, will always blindly conform to the will of its master, however good or bad that master may be, that dog follows his master. That dog cannot think and therefore has no free will.

PRIDE COMES FALL

As the first self-thinking creature with great skill – see Jerome's comment – Semyaza thought that He could become like God and this thought (pride) is the basis of all sins. Isaiah 14:13-14 clearly articulates this pride and the sequel tells what the reward is.

God tells it again through Ezekiel 28:14-19. Please also read this text and I hope you trust the Most High in His word, for He never lies. He will restore His creation and I am not speaking of this earth, for this earth has been corrupted by Semyaza. Therefore, God will create a new creation, a creation that will arise at His word. The scientist Ans Hekkenberg describes in her book R.I.P. Universe: If the universe ends, what does that end look like?

GOD WILL RESTORE HIS CREATION, His plan!

The Most High has devised a plan to ensure once and for all that no creature—of its own free will—will ever again have the thought of becoming equal to Him. That is not pride, but love is the basis. God does not want to rule, He knows better than anyone that anyone who wants to become equal to Him will rule.

THE PLAN

Creating the planet Earth. God's plan provides in every detail and everything that happens He will make known in advance through His servants, nothing will ever happen unannounced. Unfortunately, the practice is that people DON'T WANT it AND believe, almost all His servants have been killed for the proclamation of His word. Precisely these servants will forever serve Him as He pleases.

You can see this earth as a filter. Everyone has been given a mind to do research. An inquiry directed to Him, an inquiry made in prayer, a prayer which He alone perceives. The filter has three outputs, you choose - of your own free will - which output you take. Every man is researching, many believe, many think they can match Him and roar: God will bless you. Many tell religious fabrications (all theologians). Or something of that nature or adhere to all kinds of idols in the form of Money, Power, Football, Images, Digital pictures. Many no longer believe Him or think they know better. Outwardly they serve Him, but at the core they are liars.

Enoch speaks about the realm of the dead (BvH 8:21.1 – 23.8), every person who dies ends up here and the way of life determines where, especially the last hour before death - nobody knows when that is - is decisive. Many will be saved through fire, read also the Revelations of Paul.

I will cause hunger and ravenous beasts (men worse than wild beasts) to come upon you, and they will rob you of children; plague (Covid19) and bloodshed will come upon you, and the sword (WWIII) will I bring upon you. I, the Lord, have spoken it.
