

Man and Free Will

Man was created long before the earth was created. The first creation was in a spiritual form. God was, is and will always be invisible. His first creature was the angel "Lucifer". This name is nowhere in the bible, although there are - mainly American - translations where this name is mentioned. This Lucifer also received creative power from God.

Lucifer is the red dragon from Revelation 12:3 but is also the rider on the red horse from Revelation 6:4, the so-called Satan.

After millions of years, billions of creatures had arisen, but because God was invisible, Lucifer became haughty and thought he could push God aside. This led to a power struggle, we can read this in [Revelation 12:7-9](#)

'Then there was war in heaven. Michael and his angels fought against the dragon and his angels. And the dragon lost the battle, and he and his angels were forced out of heaven. This great dragon—the ancient serpent called the devil, or Satan, the one deceiving the whole world—was thrown down to the earth with all his angels.'

THE STRUCTURE OF THE EARTH: The interior of the earth consists of Fire and Sulfur. Actually, the inside of the earth consists of molten rock. Revelation 20:10 And the devil that deceived them was cast into the lake of fire and brimstone.

Explanation of some synonyms.

[Revelation 12:1](#) 'Then I witnessed in heaven an event of great significance. I saw a woman clothed with the sun, with the moon beneath her feet, and a crown of twelve stars on her head.'

[John 1:4](#) 'The Word gave life to everything that was created, and his life brought light to everyone.'

God is the light, the basis of the light is the sun.

The woman is the complete community of God, divided into parts, for the crown of stars is the division into countries with the heads of state, so a division of heaven with an earthly equation.

The synonym of water.

Water is the symbol for the word of God.

The creature,

[Genesis 1:1-2](#) 'In the beginning God created the heavens and the earth. The earth was formless and empty, and darkness covered the deep waters.'

EXPLANATION: So the earth was COMPLETELY covered with water. So God started to speak to these fallen angels, only after the thunder sermon did God come and hover over the water and light came.

[Genesis 1:2-4](#) 'The earth was formless and empty, and darkness covered the deep waters. And the Spirit of God was hovering over the surface of the waters. Then God said, "Let there be light," and there was light. And God saw that the light was good. Then he separated the light from the darkness.'

The next step is that the molten rocks can form into a hard mass, but are out of the fire and brimstone, so the living environment has become much more pleasant. But hard stones are dimensionally stable. Dust, on the other hand - wear of a stone - can be compressed into any desired shape.

The most famous example is, of course, Adam. From dust you were taken, and to dust you shall return.

[Genesis 3:19](#) For you were made from dust, and to dust you will return.

[Matthew 3:9](#) for I tell you, God can create children of Abraham from these very stones.'

A very obvious form of incarnation of a fallen angel in a later evolved form.

[Genesis 3:4](#) "You won't die!" **THE SERPENT** replied to the woman.'

Free Will

I am regularly confronted with the comment: "Is that Biblical?". These two words that make up one concept are NOT found in the entire Bible. So if we were to stick to the letter of the bible, then this is UNBIBLE. But I want to tell you a mystery, these two words that form a unity transcend anything that is said in the Bible. There is talk of a Two-Unity here.

John 1:1-5,9-10 'In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. All things were created through him, and apart from him not one thing was created that has been created. In him was life, and that life was the light of men. That light shines in the darkness, and yet the darkness did not overcome it. The true light that gives light to everyone was coming into the world. He was in the world, and the world was created through him, and yet the world did not recognize him. '

This shown text from John says some very special things. First of all, it is said here that the Word is God. It is also said that the WORD is light and life. The word of God – so the true light – comes to earth.

He - Jesus - was in the world and through Him - God - the world came into existence and the world did not know Him - Jesus.

This is only possible if Jesus is God. So there is a two-unity here.

Willless

God created the earth and it was without form and void. After the creation of planet Earth, it was just water and a hard substance. A hard substance that was only dried up in the second instance. So the terrestrial matter consisted of stone and dust. This hard matter was and is completely unwilling.

Genesis 1:2-5,10 'Now the earth was formless and empty, darkness covered the surface of the watery depths, and the Spirit of God was hovering over the surface of the waters. Then God said, "Let there be light," and there was light. God saw that the light was good, and God separated the light from the darkness. God called the light "day," and the darkness he called "night." There was an evening, and there was a morning: one day. God called the dry land "earth," and the gathering of the water he called "seas." And God saw that it was good. '

Revelation 12:4-a 'Its tail swept away a third of the stars in heaven and hurled them to the earth.

Genesis 1:6-9 'Then God said, "Let there be an expanse between the waters, separating water from water." So God made the expanse and separated the water under the expanse from the water above the expanse. And it was so. God called the expanse "sky." Evening came and then morning: the second day. Then God said, "Let the water under the sky be gathered into one place, and let the dry land appear." And it was so. '

Genesis 1:10 'God called the dry land "earth," and the gathering of the water he called "seas." And God saw that it was good. '

Willless - the "you must" state

There is always an upward development of the spiritual as soon as you go through the material creation in the "you must" state.

Bound Wil

Genesis 1:11-12 'Then God said, "Let the earth produce vegetation: seed-bearing plants and fruit trees on the earth bearing fruit with seed in it according to their kinds." And it was so. The earth produced vegetation: seed-bearing plants according to their kinds and trees bearing fruit with seed in it according to their kinds. And God saw that it was good. '

Everything that grows and blooms has a bound will. If we look at the flora, the plant world, you can only conclude that a seed does not have the free will to occupy a certain place and that it only gains vigor when it ends up in fertile soil. Even if it ends up on fertile soil and the growth forces – **sunlight and water** – are missing, nothing will come of the plant. The development of this plant only starts when there is sufficient water and sunlight.

Parasitic plants: steal to live. Green leaves and roots seem indispensable for a plant. Yet there are plants that manage to survive without green leaves or without roots in the ground. There are even plants that live without roots and without leaves. How do they do this? Simple: by taking what they need from other plants!

Instinctive Will

[Genesis 1:30](#) 'for all the wildlife of the earth, for every bird of the sky, and for every creature that crawls on the earth — everything having the breath of life in it — I have given every green plant for food.' And it was so. '

The next creation period, the fauna, the animal world, has an instinctive will. So this instinctive will has much more freedom, but is still limited. Whether in the water, in the air and on dry land, the animal world consists of a few categories. So also in the animal world we see peaceful animals and predators, each according to its nature. All peaceful animals have a defense mechanism. That is very different and varies from camouflage to speed. Every animal has an opportunity to protect itself and despite this protection many fall prey. An animal does not have the brain capacity of thinking. Even the so-called Neanderthals, despite their human-like appearance, fell under the Animal category. A being that acted instinctively.

Free Will

[Genesis 2:7-9,16-17](#) 'Then the Lord God formed the man out of the dust from the ground and breathed the breath of life into his nostrils, and the man became a living being. The Lord God planted a garden in Eden, in the east, and there he placed the man he had formed. The Lord God caused to grow out of the ground every tree pleasing in appearance and good for food, including the tree of life in the middle of the garden, as well as the tree of the knowledge of good and evil. And the Lord God commanded the man, "You are free to eat from any tree of the garden, but you must not eat from the tree of the knowledge of good and evil, for on the day you eat from it, you will certainly die." '

After a period of many millions of years - from the origin of the earth - man has fallen into sin by his own free will. There was only one tree from which they were not allowed to eat, while there were many trees with a wide variety of choices. They have listened and heeded the remark regarding the alleged goal - **the lie, a goal to become equal to the Most High**. The First Love they had for the Most High turned into Self Love.

[Revelation 2:4](#) 'Nevertheless I have somewhat against thee, because thou hast left thy **FIRST LOVE**.'

Free Will - the highest good

Everyone has the ability to think. The mind is something that God Himself has, and that independent thinking is a Divine gift. God has not only given the mind, He has placed in every soul to discern between good and evil. Every person knows in advance whether a certain act that they want to perform - out of Free Will - is a good or a bad deed. This knowledge is anchored in the soul, call it the conscience. Every person KNOWS that and therefore makes a conscious choice, so completely out of Free Will one chooses for the Good or the Evil.

[1 Thessalonians 5:17,21](#) 'Pray without ceasing. Prove all things; hold fast that which is good.'

By Free Will you can invoke the Most High and how you can do that is up to your own research. You can blindly believe other people, but you can also do your own research by using the Divine gift - the mind - of Free Will. **You determine your future of your own free will**. A future focused on the earthly - the temporal pleasure - or on the spiritual - the eternal pleasure.

Voluntary: to be apostate

Every human being is therefore an independent thinking being and has his own free will. Life as a human being is the last and the highest form you will get on this earth. Your own Free Will therefore determines your further future. Never will the Most High limit your Free Will. But the choice you make determines your progress in the spiritual. In the kingdom of God are many mansions. To put it plainly: There are very many planets, there are planets that are cold, dark and completely made of hard rock. These are most unpleasant planets to dwell on, yet you choose such a future abode of your own free will, not recognizing God. Through a living faith - a free-will faith in the Savior Jesus Christ - and the constant inquiry into the Divine, you choose Free Will for a planet where it is warm, where it is light, where it is very pleasant.

[John 14:2,6](#) 'In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.'

There are currently (February 24, 2022) almost 8 billion people living on the earth. A fourth part will die. This starts very unexpectedly, from a period of Rest and Peace until September 21, 2022. After that there are still 6 billion people living and very few people still believe in the Most High. A few more people will then - because of all the misery, such as natural violence and mutual hatred and envy - come to a recognition, the recognition

that there really is a God. A God who wants to save you forever and ever. He can only save you if you choose Him out of Free Will!

[Numbers 23:10](#) 'Who can count **the dust** of Jacob, And the number of the [fourth part](#) - [Revelation 6:8](#) - of Israel? Let me die the death of the [righteous](#) - [Isaiah 57:1-2](#), And let my last end be like his!'

Free Will versus Research

Your humanity on this earth can cause your return to God. Faith in Jesus Christ is the only possibility that guarantees your return to the Divine. From Free Will - so again your own free choice - you choose whether you have a blind faith in a certain religious direction. You decide whether you accept a DOGMA - brainwashing. You accept from your Free Will whether you want to be godless. You accept from your Free Will whether you want to do the good or the bad.

Dutch WIKIPEDIA: A doctrine is a teaching or collection of doctrines. Religious or military doctrines are a collection of doctrines or dogmas that are not up for discussion within one's own organization. Because of that association with dogmatic and its strict adherence to it, doctrine has acquired a negative connotation; compare, for example, the verb indoctrinate, which is almost equated with brainwashing. A doctrinal person adheres very strictly to a once established doctrine or system. A doctrine is a teaching or collection of doctrines. Religious or military doctrines are a collection of doctrines or dogmas that are not up for discussion within one's own organization. Because of that association with dogmatic and its strict adherence to it, doctrine has acquired a negative connotation; compare, for example, the verb indoctrinate, which is almost equated with brainwashing. A doctrinal person adheres very strictly to a once established doctrine or system.

The Investigation: The investigation starts very simply. Look at the very imposing spectacle of the universe. No star or planet goes out of rhythm, a rhythm set by God. To bring it closer. Have you ever seen NOTHING turn into SOMETHING? As soon as a human hand is involved, it changes to bad and worse. Look at our food. Humans can manipulate it quite genetically, but is that an improvement?

Example RICE: Some types of rice have been made "tastier", but they have lost the nutritional value as a result.

White rice is the most eaten type of rice in the Netherlands and also the "tastiest". Unfortunately, there are downsides to it that you should definitely be aware of. White rice is milled rice from which the germs, husk and bran have been removed. This changes the taste, texture and appearance. It is also easier to digest. After grinding, the rice is polished, which gives it its glossy white appearance. White rice becomes larger in volume after cooking, this is because the rice grain absorbs water better. The tastiest taste and the beautiful appearance, are those the important factors?

INFO: Both the grinding and polishing process remove important nutrients in the rice. Question: The least tasteful - according to many people - is the brown rice, this rice is full of vitamins and dietary fiber. Did you know that chickens fed only White Rice die? The vitamins and minerals are actually in the germ, in the skin and the bran, these have now been removed from the other species. The nutritional value has disappeared, it gives belly filling for a short time.

Product per 100 gram	Fibers	Kcals	Carbohydrates	Fats	Protein
White Rice	0.38 grams	129 Kcal	27.9 grams	0.28 grams	2.66 grams
Browne Rice	1.80 grams	110 Kcal	22.8 grams	0,89 grams	2.56 grams
Basmati Rice	1.50 grams	145 Kcal	31.0 grams	0.20 grams	3.00 grams
Whole Grain Rice	6.20 grams	342 Kcal	68.0 grams	2.50 grams	7.50 grams

Most people choose the tastiest and the most beautiful from Free Will, not what is the healthiest. Or as it is described:

2 Timothy 4:3-4

'For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers (the present preachers, there are so many different denominations --> rice varieties), having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables. '

The investigation must therefore be aimed at the truth, at pure love. Do we search for and examine the PURE LOVE?

The gene manipulation and the post-processing always cause a reduced to very poor quality of the food. **So it is spiritually.**

Of Free Will - Love and the First Love

Galatians 5:22 'But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, '

The most important commandment is the commandment of Love. The above text tells about the spirit of love. God is love. Someone who radiates love meets the items stated here. You can roughly divide love into three main groups:

1. The First Love
2. The Neighbor Love
3. The Self Love

The text from Galatians 5:22 speaks for itself, this concerns neighbor love. Self-love, most people also understand that Egoism means.

We live in a time when there is almost no love left, because if you really examine the so-called love expressions, it usually comes down to Self-love. The worst things happen and people pass them by. Fortunately, there are still people who practice neighborly love. Do you know what the First Love is?

Love God above all and your neighbor as yourself.

Do we still choose Free Will to love God above all else? Do you have any idea what this means. We still put God first. Do we praise and thank Him and do we still want to testify that He is love? Are we still doing that from our Free Will?

Of Free Will, man - the angels of ever - has left God and only when man of Free Will shows Him the First Love, only then can everyone come to Him again, with the exception of NO ONE. That is only possible when you fully master the commandment of love from your Free Will.

Faith and recognition of Jesus Christ is the pillar of Love!

He - **Jesus** - was in the world and through Him - **God** - the world came into existence and the world did not know Him - **Jesus**.

Are you ready to Love Him with all your heart.

Are you willing to testify about His sacrificial death, He has shown His love, do we?
