

## the antichrist

**1 John 2:18-23** 'Children, it is the last hour. And as you have heard that antichrist is coming, even now many antichrists have come. By this we know that it is the last hour. They went out from us, but they did not belong to us; for if they had belonged to us, they would have remained with us. However, they went out so that it might be made clear that none of them belongs to us. But you have an anointing from the Holy One, and all of you know the truth. I have not written to you because you don't know the truth, but because you do know it, and because no lie comes from the truth. Who is the liar, if not the one who denies that Jesus is the Christ? This one is the antichrist: the one who denies the Father and the Son. No one who denies the Son has the Father; he who confesses the Son has the Father as well. '

**2 John 1:7-11** 'Many deceivers have gone out into the world; they do not confess the coming of Jesus Christ in the flesh. This is the deceiver and the antichrist. Watch yourselves so that you don't lose what we have worked for, but that you may receive a full reward. Anyone who does not remain in Christ's teaching but goes beyond it does not have God. The one who remains in that teaching, this one has both the Father and the Son. If anyone comes to you and does not bring this teaching, do not receive him into your home, and do not greet him; for the one who greets him shares in his evil works. '

**By September 21, 2022, the world population will have been reduced by 2,000,000,000 people, leaving only 6 billion.** Precisely the believers were taken home, they were allowed to be taken up by faith in Jesus Christ, this was NOT tied to a religion, but by a faith that was in the heart. Despite the many differing creeds, these souls have been drawn to God and now they have been taught the truth.

### This is what will happen on September 21, 2022

**Daniel 12:11** 'From the time the daily sacrifice is abolished and the abomination of desolation is set up, there will be 1,290 days. '

**Revelation 13:1** 'And I saw a beast coming up out of the sea. It had ten horns and seven heads. On its horns were ten crowns, and on its heads were blasphemous names. '

On this date all believers are taken away and Satan is set up. He comes out of the sea and that will result in a very large tsunami.

### This will happen after September 21, 2022

**Revelation 6:12** 'Then I saw him open the sixth seal. A violent earthquake occurred; the sun turned black like sackcloth made of hair; the entire moon became like blood; '

This said earthquake will cost the lives of many millions of people, and the impending religious war will cause **another 2,000,000,000 deaths**. that is one third of the current world population. Below you will be explained what and how it will take place, you will be told in advance. It is precisely because of this that you know what the truth is.

**Revelation 9:14-15** 'say to the sixth angel who had the trumpet, "Release the four angels bound at the great river Euphrates." So the four angels who were prepared for the hour, day, month, and year were released to kill a third of the human race. '

## Final Struggle - Openly Confessing Christ to the World

All spiritual things will be declared strife in the last time before the end. By this you will recognize what time it is on the world clock that the day is coming to an end. You should then expect great excitement generated by rigorous measures of the secular government. You will be cornered with questions and threats about your attitude to Christ and about faith in all respects. They will not shy away from watching you, listening to your conversations and dragging you before the judiciary, that you may answer for your speech and actions.

And then the time has come when you will have to confess to God openly and speak without fear how you think and stand before Him. This open confession before the world, He asks as proof of your union with Him. He Himself knows how you think and feel in your heart, but it is a final battle in which a separation must take place between the goats and the sheep. And this struggle must be fought openly, so that the struggle itself may also be clear, that the guilt of the adversary may be clearly visible to the world, in order to spur even those who still hesitate to make a decision, both through the conduct of the believers as well as those who are their enemies. The battle will last but a short time and it will be waged everywhere, just in different forms.

Lovelessness will always fight against love, the material world will mock and torment the spiritual world, two sides will be clearly seen everywhere. Where the doctrine of Christ has penetrated and the divine doctrine of love is the foundation of what men are preached and asked to believe. And therefore the apostasy from God will be evident throughout the world, but where the Christian doctrine of love is spread, the battle of faith will be fierce, and that will be the end.

## The Religious War Through Matthew Foretells

**Matthew 10:16-28** "Look, I'm sending you out like sheep among wolves. Therefore be as shrewd as serpents and as innocent as doves. Beware of them, because they will hand you over to local courts and flog you in their synagogues. You will even be brought before governors and kings because of me, to bear witness to them and to the Gentiles. But when they hand you over, don't worry about how or what you are to speak. **For you will be given what to say at that hour, because it isn't you speaking, but the Spirit of your Father is speaking through you. "Brother will betray brother to death, and a father his child. Children will rise up against parents and have them put to death.** You will be hated by everyone because of my name. But the one who endures to the end will be saved. When they persecute you in one town, flee to another. For truly I tell you, you will not have gone through the towns of Israel before the Son of Man comes. **A disciple is not above his teacher, or a slave above his master. It is enough for a disciple to become like his teacher and a slave like his master. If they called the head of the house 'Beelzebul,' how much more the members of his household!** "Therefore, don't be afraid of them, since there is nothing covered that won't be uncovered and nothing hidden that won't be made known. What I tell you in the dark, speak in the light. What you hear in a whisper, proclaim on the housetops. **Don't fear those who kill the body but are not able to kill the soul; rather, fear him who is able to destroy both soul and body in hell.** "

## The battle of faith is relentless

### The antichrist camouflaged as a bringer of salvation

This is the spirit of the antichrist, who comes to men under the guise of a salvation-bringer, but whose will is yet completely turned away from God in so far as he does not accept a God of love, just as he rejects the spiritual as supernatural and therefore unprovable and therefore non-existent. And the essence of Christ will also be so strange to him that he will not believe in His work of redemption and His mission on earth, and therefore he tries to picture Him as a fantasy figure, and takes every precaution to take this Person from the hearts of the people. to displace. His own being does not correspond to the being of Christ, so it is understandable that he regards Him as an enemy and thus fights it.

The antichrist to be expected is a personality that emerges from the frame of the natural. He is an extraordinarily gifted man and his special strength lies in his plan of world order, in his extraordinary conduct towards those responsible for the well-being of the people. Therefore, he will achieve great success, for he will be bestowed with the supremacy that he is striving for. He is expected to undergo profound changes for the benefit of the general, therefore all worldly minded people will hire him and he will exploit that privileged position for all sorts of measures. And in particular he will act against the spirit of the supernatural, against all religious organizations, as well as against the churches or spiritual movements based on Jesus Christ and His teachings.

**For he will present charity as a state of weakness which must be fought in all circumstances.**

Whoever agrees to his pursuit is equally as antichrist and is therefore an opponent of God, he will also behave unlovingly towards his neighbor and therefore also continue in spiritual blindness, because he belongs to the kingdom of satan. As ruler of many, the antichrist will stir up great commotion by his measures, which lack all humanity and only try to foment hatred and discontent among the people to stifle love and plunge the people into great spiritual need.

But then God's response is urgently needed, and this explains the activity of God through His servants on earth, because He too must be recognizable on earth for those who belong to His camp. He must, therefore, likewise proceed in an extraordinary manner that He may not be rejected, but may be acknowledged, if only men are willing to go the right way. If only they consciously or unconsciously turn to the Creator of heaven and earth to ask Him for help in spiritual distress. And then also the wrestling of good against evil is particularly fierce, for the hour of the end draws nearer and nearer and the separation of the spirits must take place until the last day.

And this separation can take place only when people are seriously presented with the choice to acknowledge God or to deny Him. That question will force them to a decision, and to back it up God's adversary steps forth openly by influencing his emissaries on earth to take and implement measures that betray a godly thinking. And so begins the final battle on this earth, the battle of faith, the battle against Christ, with the result that people must now definitively speak out: for or against Him. And then comes the final judgment, because in free will they now turn to God or away from Him, and they must also answer for that free will.

This battle is inevitable and clearly reveals the essence of the antichrist. Thus all mankind can clearly see through the thinking and acting of him who appears under the mask of a savior to carry out his abominable plans, who openly fights against God and therefore is bound again for a long time in the earth, whence he cannot free himself until the people help him again and by their false love for matter loosen the chains of satan again.

But Jesus Christ will never be supplanted, He will remain victorious at the last day and His teachings will fill all loving hearts. His faithful ones will take His teachings of love with them when they are taken away, and thus His teachings will also be upheld as spiritual knowledge on the new earth - the 1000 year reign. It will unfold to the fullest, and through it men will possess the highest knowledge and be ignited in the deepest love of God. And by the adversary of God, it can never be supplanted again because all power has been taken from him for a long time.
