

Dear reader,

MY CONCLUSION IS UNCHANGED

I have made predictions based entirely on the bible, none of these predictions have come true. The failure of these predictions to come true is extremely logical. The Bible came into existence After the Council of Nicaea, because Jerome - a Catholic bishop - collected the remaining "original" writings, insofar as they were still original. He has compiled these remaining writings into a book and translated it completely and immediately manipulated it into Catholic dogma.

This book has been given the title bible. There is only one who has an interest in a book that gives so much division, war and discontent, that is the adversary of the Most High. Another clear proof that the Bible can never be the word of God is that this book is the best-selling book of all time, so it's the best-seller ever.

The next point is also worth mentioning, this one book with that one title has been rewritten countless times. In every language there are rewritten bibles that are hypocritically called translations, but in reality are pure manipulations of the very first manipulation of Jerome.

The End Time

The end time is a fact. Despite all the aforementioned forms of manipulation, there is also truth among the lies. There is no nastier lie than the manipulated truth. Crumbling a little of the truth creates a lie that becomes "believed". The end time has started with the registration of Covid19 on December 16, 2019 and I know that Good Friday April 3, 2026 is the actual beginning of the 1000-year reign, also called Millennium.

Nobody knows when the disaster starts, literally nobody. Evil is the time of tribulation, and before this calamity comes, all whom God deems righteous are raptured by dying.

By the remark: **The time will be shortened, the duration and the beginning of the period of tribulation cannot be accurately named.** This moment will come very quickly and it begins when a world leader suddenly dies.

My Testimony

I know what I have personally experienced. For years I have been proving that the Bible cannot be the word of the Most High. I have not avoided any discussion and literally no one has won a discussion from me. On the basis of the Bible, that is, on that book incomplete from the beginning by the Council of Nicaea and manipulated from the first letter into Catholic dogma by Jerome, I prove that there are currently countless different manipulations that translations, but in reality are pure manipulations and thus contain more lies than truth.

I have tested the only possible schedule (Daniel's time table) in all its variants, I have done this openly and this is stated and made public with every change. My conclusion can only be one, a conclusion that I have called to this day and thus proved with everything I have in me. The words of Paul are my motto: Examine all things and keep what is good. THIS IS AND REMAINS AN ONGOING PROCESS.

THE Conclusion: The Bible is incomplete and manipulated and therefore highly unreliable. IT CAN IMPOSSIBLY BE THE WORD OF GOD. Anyone who claims that the Bible is the (only) word of God IS A LIAR.

I have been through a lot in my personal life. I have distanced myself – or she from me – from every person who is and was dear to me. I have only one wish: TO STAND IN GOD'S TRUTH. A life that does not bear witness to His truth is meaningless and worthless to me.

We are NOW living in the ORIGINAL TIME OF TRIBULATION

Matthew 24:22 "And unless those days were shortened, there should be no flesh saved; but for the elect's sake those days shall be shortened. "

FINALLY, THE WORD OF THAT ONE GREAT.**The death of an earthly ruler - Turning point**

When the news of the death of an earthly ruler will reach you, you have arrived at the time when you will be able to call the beginning of the end. Then the earth will become a seat of fire, the flames will flare up, hatred will rage unchecked and humanity will be overcome with horror, for it sees no way out of the danger that is inevitable.

And so one will only pay attention to the happenings in the world. People will anxiously try to take care of themselves, because they see the great earthly need erupt. They will anxiously try to secure earthly goods and prepare to flee, though it seems hopeless to them. And only the faithful remain thoughtful, and I now use them to act on the fellow human beings who are unhappy and despairing in their unbelief. And I try once more to let myself be brought close to them. I let my servants speak and speak through them words of love and encouragement to them. I warn them not to flee and not just look after their physical well-being. I set before them the hopelessness of their purpose and admonish them to persevere and put their fate in my hands and so everything takes its course.

The fire has been kindled and will no longer be extinguished by humans, but I Myself will make it extinguish by placing other elements against it, by facing those who try to tear each other apart. And my voice will resound from above. A natural catastrophe will ravage the earth and tear the combatants apart, a Power will meet them against which none of the combatants can match. This event will last only a few hours, but will bring about a completely changed situation in the world, completely changed relationships and initially obscure chaos, greatest earthly need and untold sorrow and distress among people.

I WILL TELL YOU A TRUE HISTORY, INCLUDING THE LAST DAYS.

I am a diabetic, I used moderate medication but after strong insistence from my wife I had an anti-Covid19 injection on March 10, 2021, which I did not want at all. Within a year I had to increase my medication 5x and so there was no longer a question of moderate medication, but an extreme sugar medication in combination with high blood pressure and COPD and an old men's ailment related to. difficulty urinating because of the prostate.

At the end of February 2022, the thought occurred to me that it must be possible to get healthy through faith. On March 1, 2022, I laid this before the Most High in silent prayer. March 10, so exactly one year after that one anti-corona jab, I wake up with the thought: **You have to do the rest yourself, because otherwise you won't be able to help others later.**

Immediately I stopped ALL MEDICATION, my wife panicked, because she thought I wanted to kill myself in this way. The opposite is true, I had to find out what the rest was. The rest is NO more medication for the blood pressure, NO more medication for the COPD, the sugar medication back to almost the level of March 1, 2021.

I have corresponded everything via email with the GP and saved this as a PDF, so what I say is provable. On July 18, 2022, I applied for the last medication and fully counted out through October 6, as this is Daniel's original prophecy. My job is not over, but when the time of the meteor shower comes and the time after that medication is no longer available, so my health must be good and the rest of the medication must be gone and it will be. To my surprise, I noticed when I last replenished my medication from my large stock to the sorting box that I had in stock until October 10 instead of October 6. I only had the prostate pill that is necessary to urinate until October 19, 2022, despite the fact that this medication was also counted out until October 6, 2022. So I did not take this last pill for the prostate on October 19, but on October 20 2022.

October 14, 2022, I haven't had any medication anymore because it's gone, except for the pill for the prostate, in the morning I tested my glucose and found that the value is 10.0. This is a slight increase, but NO reason to start taking medication again. October 17 Glucose level checked again: 9.7 I feel better every day.

According to human knowledge, stopping the prostate pill at the latest in 5 days will cause me to be unable to urinate and my life will end in a painful way. However, God does not lie and just like with the sugar medication this will be solved in the same way and if not: Not my will, but Your will.

My medication is no longer being supplemented, that is no longer necessary. I know that the moment the meteor shower falls, my health will be 100% again, because then in His name I may fix my own health 100%.

THESE WORDS TOLD MY WAY.

As soon as a world leader dies suddenly, the turning point is reached and the period of tribulation begins. The beginning of the tribulation is therefore marked by the sudden death of the world leader and in a very short time the world population has been halved and only after that the religious war, also called the Time of the Tribulation, begins.

1. A world leader will die.
2. Jesus comes in the clouds, that is the beginning of:
 - 2A. Beginning of World War III
 - 2B. Many die because of the famine
 - 2C. Mutation Covid19 to highly contagious and deadly
 - 2D. People turned into Wild Beasts

2,000,000,000 humble believers will die from these factors, this is a very short but also a very deadly period, the graves will be opened, that is the resurrection of the dead. All these people are taken up into heaven. Day of Atonement is not a day, but Great Atonement is a moment.

The foregoing ends with:

3. A meteor shower from the universe will burn a third of the earth.
4. A star hits the earth - it is hidden by the meteor shower.
5. A very large volcanic eruption will turn the moon blood red and obscure the sun.
6. There is also a very large earthquake.

2,000,000,000 dear unbelievers will die from these natural disasters, starting with the meteor shower. These people are imprisoned in purgatory for a period of 1000 years.

After these events Daniel 12:11 will be fulfilled, meaning: There are NO more prayers and Satan comes out of the sea. This is the beginning of the Tribulation.

God is immutable. It is a living God, proof of life is change!
 The original time was 120 jubilees - 49 x 120 = 5880, but through Moses 40 years were added = 5920 years.
 The 1290 days of Daniel 12:11 are incorrect due to manipulation by Jerome, a Catholic bishop.
 Day of Atonement is WRONG on the calendar due to scientists miscalculation.

Genesis 6:3 120 years x 49 (Jubilee) is 5880 years, equivalent to 1986 Chernobyl nuclear disaster. 1986 added 40 years (desert) = 2026 start 1000 year empire.

Daniel 8:14 After 2300 days creation is restored. Period December 16, 2019 to Good Friday April 3, 2026 is 2300 days.
After 2300 days (Daniel 8:14) creation is restored, so Good Friday April 3, 2026 April 3, 2026 - 1290 days (Daniel 12:11) = September 21, 2022 HAS CHANGED!

The Jewish lunar calendar is based on 354 days. On this basis, the Day of Atonement is calculated in the international calendar. The bible speaks of a period of 1260 days, or 3½ years has 1260 days divided by 42 months, which is 30 days per month or 360 days per year. **6 days difference.**

Conclusion: Examine everything and keep the good!

Original time of tribulation, 1260 days

Matthew 24-22 If God did not shorten that time, no man would be saved.
 But that time will be shortened for the sake of those who belong to God. Build-up time Millennium

The said original 1260 days are shortened on both sides.
