

## Eternal Order

It is impossible to start this any other way. The Eternal Order is stored in the Eternal Love of the Most High. **His love is all-encompassing.** Everything that comes from Him will also come back to Him. All beings – spiritual people – who have ever freed themselves from His love through Free Will, will one day return to God out of Free Will. That is why He has made a plan, a plan – born of love – that provides this.

The eternal order of redemption begins with the creation story. Every apostate soul is cast upon this earth and must ascend from the center of the earth through the "**you must**" situation - hellfire (**the lake of fire and brimstone**), ascend from stone, to dust, to bacteria, to plant, to fish, to animal and finally to the last form: man. Only in the form of man does the spiritual man, in the form of a man consisting of matter, acquire a free will. This is a process of many centuries.

This is NOT the reincarnation teaching, for it is only the ascent from the fire to a higher creation form, a decline is NEVER possible in this form on this earth. As soon as the soul has reached the human form and thus again has a Free Will, then this soul must of its own accord - through independent thinking - choose for or against the Supreme. Only faith in Jesus Christ - His sacrificial death on the Cross - can bring about redemption forever.

## Doctrines

There are many doctrines, all doctrines that aim to separate man from God, in other words, they are governed by those in power. Where those in power are in control, the Most High is NOT present. Despite the word love being used, there is compulsion. Man MUST act unlovingly under the guise of love. Love is done from the heart and not by request. A rough division of the [doctrines](#) is: The [Dutch Wikipedia](#) is clearer.

- Christianity
- Islam
- Hinduism
- Buddhism
- Judaism

There is another "religion" that is not listed, that is the unbelievers, the atheists. You have the "duty" to use your brain power from your Free Will. That Divine gift – the mind – has been given to you especially to do something with it.

The main question is, "**What is the purpose of the short human life on this earth?**"

## The short life of man

When man begins his life, then the Blanco begins. Regardless of where you are born, everyone starts their life without memories, without knowledge. The assignment – **the goal** – is the same for everyone. **The search for divine truth.** Divine truth can only be found through contact with the Supreme. Only when you have the broadcast frequency of God and tune in to it, only then will you be initiated into Divine truth. The frequency on which God can be found is love. The correct frequency can be recognized by the type of "music" being played.

## The "music" of the Eternal Order

That music of the Eternal Order is very easy to recognize, for it is the melody of love. The first non-melodic feature is the lack of the savior Jesus Christ. The second non-melodic characteristic is domination, so as soon as there is a position of power, we can at least speak of a considerable dissonance in the music. There is one more obvious, unmissable feature, an earless feature. An image made by human hands – in whatever form – is deaf. Such an image made of wood, stone or paint cannot receive any musical tone, nothing at all.

Do you understand the madness? A piece of linen with a little paint on it. There are people who are willing to do it. The building where that painting hangs burns down and it is gone, you can't find anything of it anymore. Millions, just to show you're a true egotist. Because if you had love as your hallmark, you would have spent that money on people who need it.

[Isaiah 42:17](#) 'They shall be turned back, they shall be greatly ashamed, that trust in graven images, that say to the molten images, Ye are our gods. '

Deuteronomy 7:5 'But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire. '

## Life after this earthly life - displacement to other planets

John 14:2 'In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. '

The many houses. You only need to look up on a clear night. You will then see many, countless stars. Every planet is a home and rest assured that you won't see them all. There are planets in the dark, where it is lonely, cold, dark and bleak. After the one-time human life, you end up on a planet that matches your faith. If you have a belief that is complete nonsense, you will end up on such a cold planet.

It is possible that you live a faith without any form of research, i.e. in blind imitation of your parents or predecessor(s), a faith to which you attach little value. If you valued your faith, if you had researched it, you would most likely have made different choices. There is One who will place you in your new "dwelling place", a dwelling place that really corresponds to your faith experience on this earth.

There are people who know the Bible by heart, but do not understand love. This belief in the dead letter, a belief in which there is no life, is worthless. They think they know what they are talking about, but they don't understand love, so they can't find the truth.

Love is also the driving factor in the hereafter to be allowed to climb "higher". Do you remember? God is love, He wants everyone to have a warm and good life, that life where everyone will eventually come - often after centuries and centuries. Only when you - of your own free will - prove the love to your fellow sufferers, you will experience the warmth of it. Most likely you will be drawn to the attention of those present who will draw your attention to a possible act of love to be performed. Light beings are present everywhere, they are disguised, are not recognizable as such. These disguised light beings have pointed out this love expression to you. You can then perform an act of love out of love of your own free will.

## God is a mild but just Judge - Do penance on earth

It is the balancing justice of God, that the people who are ill-disposed towards others are often struck by the same evil, and they still have to pay on earth what they have loaded in sin guilt. Yet it is again a grace when they are offered the opportunity on earth to do penance and they do not have to take over their guilt in all its weight in the realm hereafter, where it is much more difficult to get free from guilt. On earth the punishment can show them the wrong, they can repent and therefore repent more easily, while in the hereafter it is much more difficult to see and they can only become more and more stubborn through torments.

But man is not always aware of his injustice and regrets it, on the contrary, he is sometimes even more prepared to inflict damage on his fellow man, although he himself has to undergo the effect of the ill will. But then he is hardened and takes his guilt with him into the realm afterward. The foregoing had to be started in order to be able to understand now why an infinite number of people have to bear great suffering in the end times, why they often receive no help from their fellow human beings in the most dire need, because they too were numb to the need of others. fellow human beings in times when they could help if they had not lacked the will.

And if they think of their sins and omissions and criticize themselves, if they now see through themselves and repent of their injustice, the punishment will also be for them to bear and their guilt can already be reduced on earth and then for these also the time of need blesses them, for it brought their grace, they can seriously consult themselves, confess their wrongs before God, and ask Him for forgiveness. And then verily the magnitude of the guilt will be diminished, for God is a merciful Judge, and seeing that man repents of his wrongs done, He lessens his punishment and forgives him. But without admitting his guilt, he cannot find forgiveness, because God is a mild but just Judge.

## The Repentance of the Soul in the Hereafter

For the soul in the hereafter, the consciousness of being itself to blame for its situation and of being deprived of any possibility of changing its condition of its own accord is a terrible burden. But she only has this awareness when it arises in her desire to make improvements. Beforehand she is apathetic, makes no effort to go up or down, feels only an unparalleled torment and is completely unwilling, until, through the help of beings of light approaching her in disguise, another opportunity presents itself with other souls. to come together, and now the urge awakens in her, to come into a different environment, believing to have escaped the state full of

torment. And only now does it become clear to her that she must make up for what she failed to do on earth, that she must work in love.

And now she also sees her useless life on earth and the regret for the many untapped opportunities is exceedingly great. With good will she will soon notice an improvement, for as soon as she feels remorse, she also takes every opportunity to act in love towards the ailing souls, for a soul that is hardened turns more downwards and also never feels remorse for her own fault, because such a soul, through the influence of evil forces, can never see its injustice and consequently does not feel any regrets. Only the realization of its guilt is able to excite the soul in the striving upward. And then also the working in love begins, which supplies her with strength to ascend.

The consciousness of its guilt is always the result of pity for those souls who, like them, have to endure a state of torment, and this impulse provides the soul with all the help of the beings of light, who now do not stop, until they found a way up and went up. And the further the soul advances in the understanding, the more diligently it fulfills the work of love in the hereafter and offers help to all those who are lower than it, because it knows their afflictions and would gladly help them who to reduce them.

And this being engaged in love now makes one's own remorse weaken, and it now has the possibility to mature, and although it can never reach the highest degree, the childhood of God, which can only be achieved through a life in love on earth. attained, it is still blissful in the consciousness of being able to serve God, who now loves it above all else, for all eternity.

## Jesus Christ, the Eternal Redeemer

If you have lived a faith in the firm conviction that Jesus Christ suffered on the cross for your sins, then you can enter the realm on the Other Side without worry. Because if you are convinced of that, then you have acted accordingly. Then you have shown the love of the Most High to your neighbor in all your deeds and have given Him the First Love. Also in the hereafter faith in the savior Jesus Christ will clear the way.

## The "you must" situation

Numbers 16:26-35 'And he spake unto the congregation, saying, Depart, I pray you, from the tents of these wicked men, and touch nothing of their's, lest ye be consumed in all their sins. So they gat up from the tabernacle of Korah, Dathan, and Abiram, on every side: and Dathan and Abiram came out, and stood in the door of their tents, and their wives, and their sons, and their little children. And Moses said, Hereby ye shall know that the LORD hath sent me to do all these works; for I have not done them of mine own mind. If these men die the common death of all men, or if they be visited after the visitation of all men; then the LORD hath not sent me. But if the LORD make a new thing, and the earth open her mouth, and swallow them up, with all that appertain unto them, and they go down quick into the pit; then ye shall understand that these men have provoked the LORD. And it came to pass, as he had made an end of speaking all these words, that the ground clave asunder that was under them: and the earth opened her mouth, and swallowed them up, and their houses, and all the men that appertained unto Korah, and all their goods. They, and all that appertained to them, went down alive into the pit, and the earth closed upon them: and they perished from among the congregation. And all Israel that were round about them fled at the cry of them: for they said, Lest the earth swallow us up also. And there came out a fire from the LORD, and consumed the two hundred and fifty men that offered incense.'

U ziet dat de situatie van het volk Israël vergelijkbaar is met het laatste gedeelte van de eindtijd. Vergelijk de tekst uit Numeri 16 met de tekst uit Micha 1. Het gaat hier om de ongelovigen en de schijnheiligen. Dit zijn de mensen die tegen de Allerhoogste in opstand kwamen. Deze mensen MOETEN het verlossingstraject weer vanaf het allereerste begin doormaken.

Micah 1:2-7 'Hear, all ye people; hearken, O earth, and all that therein is: and let the Lord GOD be witness against you, the Lord from his holy temple. For, behold, the LORD cometh forth out of his place, and will come down, and tread upon the high places of the earth. And the mountains shall be molten under him, and the valleys shall be cleft, as wax before the fire, and as the waters that are poured down a steep place. For the transgression of Jacob is all this, and for the sins of the house of Israel. What is the transgression of Jacob? is it not Samaria? and what are the high places of Judah? are they not Jerusalem? Therefore I will make Samaria as an heap of the field, and as plantings of a vineyard: and I will pour down the stones thereof into the valley, and I will discover the foundations thereof. And all the graven images thereof shall be beaten to pieces, and all the hires thereof shall be burned with the fire, and all the idols thereof will I lay desolate: for she gathered it of the hire of an harlot, and they shall return to the hire of an harlot.'

**Zephaniah 1:2-6** I will utterly wipe everything off the face of the earth, declares the Lord. I will sweep away man and beast, I will sweep away the fowl of the air, and the fish of the sea, and the stumbling blocks of the wicked; yea, I will cut off men from the face of the earth, saith the Lord. I will stretch out my hand against Judah and against all the inhabitants of Jerusalem, and will cut off from this place the remnant of Baal, and the name of the idolaters (1) with the priests, and those who worship on the housetops (2) before the lord of heaven, and those who bow down and swear by the Lord (3) and swear by their Moloch (Satan); even those who fall away from the Lord (4), and who do not seek the Lord, nor inquire after Him.

1. Idol worshipers with the priests: including the Catholics.
2. Bowing down on the housetops: Praying very openly, see also Matthew 6:5-10.
3. Christians who so-called listen to Him, as long as He does what they want.
4. The people who don't - any more - believe.

Revelation 20:10 "And the devil that deceived them was cast into the lake of fire and brimstone, where also the beast and the false prophet are. And they shall be tormented day and night for ever and ever. **Correct translation:** And they will be tormented for eternities - that is NOT all - day and night.

The Lake of Fire: The interior of the earth.

The Greek word "aionion," commonly translated "eternal," does not necessarily mean "eternal." It specifically refers to an "age" or an "eon", a specific period of time. However, it is a period that we as humans - billions of years - cannot oversee.

**Isaiah 24:22** . 'And they shall be gathered together, as prisoners are gathered in the pit, and shall be shut up in the prison, and after many days\*\* shall they be visited. ' 2 Peter 3:8 \*\*But especially, beloved, do not forget this, that one day is with the Lord as a thousand years, and a thousand years as one day.

The followers of Korah are synonymous with all who are wicked and/or hypocritical. **These people have been reabsorbed into the earthly matter and will again be shackled in this matter.** The earth will be renewed again and again, each time there will be another creation. Everything that is hard will take shape again and will be able to develop through the "you have to" state from stone, to dust, to bacteria, to plant, to fish, to animal, but in a new creation with completely different forms.

A new creation that after eternal times - the "you must" situation - will be inhabited again by people, people who can **freely choose** for or against God. The situation thus described will repeat itself for so long, until the moment that the First Prodigal Son, too, as the Last, repentantly and of Free Will, will place himself under the Omnipotence of the Most High. Then the Most High with His ALL-encompassing love will prepare a great feast.

**Many first will be last!**
